Priority

Acknowledgment is made of applicant's claim for foreign priority under 35 U.S.C. 119(a)-(d). The certified translation filed on June 13, 2006 has been received.

Oath/Declaration

This application presents a claim for subject matter not originally claimed or embraced in the statement of the invention. The claims as originally filed do not describe an identifier identifying only a source node of a message when the path for a message is a short path and identifying only a destination node of a message when the path for the message is a long path. A supplemental oath or declaration is required under 37 CFR 1.67. The new oath or declaration must properly identify the application of which it is to form a part, preferably by application number and filing date in the body of the oath or declaration. See MPEP §§ 602.01 and 602.02.

EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

This application contains claims 3-4 and 9-10, which are directed to an invention nonelected without traverse. Pursuant to the examiner's authority under MPEP 821.02, these claims are cancelled in this examiner's amendment. No telephone call was made to the applicants.

The application has been amended as follows:

In the claims:

Cancel claims 3-4 and 9-10.
